Berti Cheese Set

Coltellerie Berti: handmade knives since 1895

Berti 3 piece cheese knife set becomes a treasure and family heirloom. Fashioned with tortoise-style lucite handles, these steel cheese knives have high carbon content and each is made by a single artisan in Tuscany. Their beauty and functionality will bring years of enjoyment. Use these luxurious cheese knives frequently as you enjoy fine wines and cheeses from *Zeto wine & cheese shop*. **\$275**

This set comes as shown in cloth wrap with leather tie.

Laguiole Cheese Knife Sets

Black: \$39

Mineral: \$44

Laguiole 3 piece cheese knife set (black or mineral color handles)

Made in France by the well-known makers of steak knives, this set has stainless-steel blades and ergonomic style handles. The set is presented in an open wood box and includes: cheese knife, cleaver, spreader. Avoid using citrus-scented detergents. Dishwasher safe. Approximate heights of each: Spreader: 5.75", Cleaver: 8.5" Knife: 9"

Berard Olive Wood Cheese Board and Cheese Knife made by artisans, thus no two pieces are exactly alike. Berard's history dates to 1892 -- kitchen tools and accessories using the finest Mediterranean olive wood. This exquisite piece: \$99

Each Berard piece is hand crafted by artisans -- each one is an individual with, like people, its own characteristics and variations. Elegant wood and styling, olive wood is naturally strong and beautiful. Due to shape, the dimensions vary, but at widest and longest points the cheeseboard shown is approximately 9" x 17" and about 1/2" thick olive wood.

Cheeses shown and more are also available at *Zeto*.

Slate Plate Cheese Board (*Made in NC*) **\$29.99** (12" x 18" appx.)
(*excludes food and champagne*)

Advantages of this slate cheese board:

- A more even surface (see partial front section at right)
- Hand-finished edges give a more uniform, eye-appealing appearance.
- Want to write on it with chalk? It's easy due to the smoother

surface.

- Clear, acrylic non-slip feet – protects your counter tops and other surfaces.
- 100% American-made by hand using American sourced materials.

KNIVES

Gingher Chef's Knife – professionally hand-crafted, one at a time, for you—pre-select the color of handle (one or 2 tone)

Each knife is hand-crafted start to finish!

Each exquisitely made **Gingher Chef's Knife** has a long handle made with the customer's selected color or 2 tone colors. (Photo at left shows some of the steps Rick takes in knife making).

The Gingher Chef's Knife—a knife of precision, good weight and balance -- everything you want to make slicing, dicing and chopping a pleasure.

The wide blade is forged from CPM 154 stainless steel and hardened to 60 Rockwell C. Like all high carbon content stainless steel, it is actually stain resistant rather than truly stainless, and should be thoroughly cleaned and carefully dried after each use.

Sharp! This knife is very sharp. It will remain so with care. Clean and dry immediately after each use. You'll enjoy this outstanding knife for many years.

Each Gingher Chef's Knife is hand-crafted by Rick himself. Made in Greensboro, NC.

Please allow several weeks for your knife to be crafted.

Opinel Knives (Made in France since 1890!)

- Stainless steel blade
- Twist safety ring-lock
- Beechwood handle

Opinel No6 is the smallest model that features the Virobloc safety ring. It is very durable small enough to slip into a pocket or purse.

Opinel No7 is the perfect for those who feel that the No6 could be a little larger. The "in-between" size of the No7 classifies this knife as neither small or big.

Opinel No8 is the most versatile size in the ever growing line of Opinel folding knives. It has a 3 ¼" blade – easily fits in a pocket.

Opinel No9 is the first of the Opinel's "large" knives with its 3 ½" blade. The knife opens to a length of 8 ¼".

No6 \$13.99

No7 \$14.99

No8 & No9 \$15.99 ea.

CORKSCREWS

The Durand – the corkscrew for vintage wines!

- A 2-part device for easy cork extraction -- the best of the "worm" and the "Ah So".
- Removes older and fragile corks whole and in one piece (follow the instructions).
- Eliminates broken corks or having to push corks into the bottle (and into the wine!).

Older bottles of wine might seem a challenge to open, but not with The Durand. \$125
